Refill Tank System

Efficient, Affordable and Simple to Use

Cost Efficient

Save more with Brother's ultra high-yield ink bottles that let you print up to 6,500 pages** in black and 5,000 pages** in colour. What's more, with automatic 2-sided printing, you can reduce paper usage and expenses by up to 50%.

Easy to Refill

Brother's Refill Tank System is designed for quick, fuss-free refills with the embedded, front-access tank. Monitor your printer's ink levels at a glance through the transparent tank cover.

Larger Printing Options

Think bigger and print larger with up to A3 printing capabilities.

Effortless Paper Handling

Be it plain or photo papers, the 250 sheets standard paper tray and the 100 sheets multi-purpose tray can handle a wide variety of paper types to meet your every printing need. Accomplish your scan, copy and fax jobs seamlessly with the 50 sheets Automatic Document Feeder.*

*MFC T4500DW only

Flexible Connectivity

Connect multiple users at once and enjoy convenient printing at home or in the office with both wired and wireless networks.

USB Direct Print

Print your photos without a computer or mobile device. The front-access port lets you conveniently print JPEG files straight from your USB flash drive.

Limit Unauthorised Access

Secure Function Lock gives you greater control over group or individual usage by allowing the administrator to limit print functions.

Do More in Less Time

Save office hours and speed up your workflow with print speeds of up to 22/20 ipm[^]. Enjoy your first printouts in under 6 seconds^{^^^} without compromise on colour definition.

Quality Prints

Impress your clients with striking artwork and sleek reports. Print vivid photos, crisp lines and clear text with superior colour vibrancy and a print resolution of up to 1200x4800 dpi.

Print on the Go

Enjoy the freedom of mobile printing and scanning without using your PC. In addition, you can simply access innovative features such as Brother Cloud Apps and WebConnect directly on your Brother machine.

User-friendly Interface

The 2.7" LCD touchscreen and full keypad* make navigation a breeze. Check notifications on printer and ink status, and solve any printer errors quickly with the on-screen guide.

*MFC T4500DW only

Integrate into IT Security Infrastructure

Easily manage printer access and login authentication through a central management system with Active Directory and User Authentication.
